RESOLUTION NO. \_\_\_\_\_

RESOLUTION URGING THE FLORIDA LEGISLATURE TO  
COORDINATE WITH FLORIDA RETIREMENT SYSTEM  
EMPLOYERS IN ADDITION TO THE STATE OF FLORIDA IN  
SETTING EMPLOYER CONTRIBUTION RATES

**WHEREAS**, the Florida Retirement System (FRS) is the fifth largest state retirement system in the United States; and

**WHEREAS**, the FRS is a multi-employer, contributory plan that as of June 2013 provided retirement benefits to 621,774 active members, 346,678 retired members and beneficiaries, and 38,724 members of the Deferred Retirement Option Program (DROP); and

**WHEREAS**, members of the FRS have two plan options available for participation, including the defined benefit plan, commonly known as the pension plan, and the defined contribution plan, commonly known as the investment plan; and

**WHEREAS**, membership in the FRS is divided into five membership classes, including the Regular Class, with 542,971 members (87.33 percent), Special Risk Class, with 68,800 members (11.07 percent), Special Risk Administrative Support, with 58 members (0.01 percent), Elected Officer Class, with 2,246 members (0.36 percent), and Senior Management Services Class, with 7,660 members (1.23 percent); and

**WHEREAS**, as of the most recent data available in 2013, the average benefit paid to retirees that were in the FRS Regular Class pension plan was \$16,973 per year, and the average benefit paid to retirees that were in the FRS Special Risk Class pension plan was \$35,755 per year; and

**WHEREAS**, FRS is the primary retirement plan not only for employees of the State of Florida, but also for employees of all 67 Florida counties, all 67 Florida district school boards, 28 Florida state colleges and Florida universities; and

**WHEREAS**, the FRS also serves as the primary retirement plan for employees of 185 Florida municipalities and 251 Florida independent special districts that have made an irrevocable election to participate in the FRS; and

**WHEREAS**, of the 621,774 active participants, state employees make up only 126,390, or approximately 20 percent of the total; and

**WHEREAS**, the other 80 percent is comprised of employees of school boards, counties, and state colleges, among other employers; and

**WHEREAS**, school board and county employees each make up a larger percentage of total active FRS participants than state employees, with school board employees making up 49 percent of the total and county employees making up 22.5 percent; and

**WHEREAS**, after the State of Florida, the Miami-Dade Public Schools is the largest FRS employer followed by Miami-Dade County; and

**WHEREAS**, each FRS employer is responsible for contributing a percentage of each employee's monthly salary to the FRS to fund the program; and

**WHEREAS**, employees in both the FRS pension plan and FRS investment plan are required to contribute three percent (3%) of their salary to funding the program; and

**WHEREAS**, each FRS class is funded separately based upon the costs attributable to the members of the class; and

**WHEREAS**, the employer contribution rate is a "blended contribution rate" set by statute each year by the Florida Legislature based on an annual actuarial valuation; and

**WHEREAS**, the rate consists of a blending of the actuarially-determined contribution rates necessary to fund both the pension plan's normal cost and the allocations being made to investment plan accounts; and

**WHEREAS**, the purpose of this blending is to equalize the employer contribution rates regardless of whether an employee participates in the pension plan or the investment plan; and

**WHEREAS**, during the 2014 session, the Florida Legislature enacted Chapter 2014-54, Laws of Florida (HB 5005), which set the FRS contribution rates for State Fiscal Year 2014-15, which runs from July 1, 2014 to June 30, 2015; and

**WHEREAS**, it is estimated that the contribution rates set in Chapter 2014-54 had an additional \$1.4 million fiscal impact on Miami-Dade County for the last quarter of County Fiscal Year 2013-14 (July 2014 - September 2014) and an additional \$6.3 million impact for County Fiscal Year 2014-15 (October 2014 - September 2015); and

**WHEREAS**, the contribution rates set in Chapter 2014-54 also have had a proportional fiscal impact upon other FRS employers; and

**WHEREAS**, given the substantial fiscal impact that the annual legislation setting FRS contribution rates has not only on the State of Florida, but also on counties and other FRS employers, this Board would like to urge the Florida Legislature to coordinate with other Florida Retirement System employers in setting employer contribution rates,

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA**, that this Board:

**Section 1.** Urges the Florida Legislature to coordinate with Florida Retirement System employers in addition to the State of Florida in setting employer contribution rates.
